Welcome to YOUNG LIVING

We are so happy to welcome you to our Young Living family. The mission of Young Living is to bring pure, authentic essential oils into every home and business in the world. People everywhere are looking for answers for their health, as well as for their spiritual and financial well-being. We are happy to have you as a Young Living Professional Account to help take our message to the world.

As the world leader in essential oils, we provide the purest essential oils available through the pillars of our Seed to Seal® program, which you can experience during our planting and harvesting events or by visiting our growing and distilling partners throughout the world.

Our family is thrilled to share what we love with all of you around the world. It is exciting to see businesses joining together and so many individuals wanting to use the oils and experience their many benefits. This is a new and exciting time of great growth.

The Product Price List represents more than 20 years of dedication to helping you find the freedom of whole-life wellness you've imagined but wondered if it would ever be possible. All of us at Young Living have made a great effort to offer you safe and effective essential oil-infused products to replace the harsh chemicals found in most homes and offices.

Our products are here to help you find an oasis of freedom with a feeling of well-being, both physically and emotionally. It is your moment to experience the benefits of the pure essence of nature as intended for everyone. They are for your enjoyment as they support your body, calm your busy environment, and uplift your spirit.

SEED^{TO}SEAL[®]

Young Living introduced Seed to Seal to the world as our commitment to providing your business with the best essential oil and oil-infused products in the world. Our Seed to Seal promise ensures that with every targeted supplement, every skin care solution, and every pure essential oil you use, you're enjoying the benefits of our global resources, industry leadership, and decades of innovation. The result? A pristine final product that you know is created with conscientious Sourcing, Science, and Standards.

SOURCING

We source from our corporate-owned farms, as well as partner farms and Seed to Seal-certified suppliers that adhere to our Partnership Principles. This empowers us to source conscientiously with priority on quality, sensitivity to community impact, and mindfulness toward ecosystems. Ultimately, this empowers you to feel fully confident using our products.

SCIENCE

While our product quality starts in the fields, it's proven in the lab with research from our R&D team's 180 years of combined experience. We also test product samples as needed with two independent, respected, and accredited labs. We create our pure, effective formulas to provide your business with products that contain the cleanest and most innovative ingredients available.

STANDARDS

As the leaders of the modern essential oils movement and a close partner with the earth, it's part of our stewardship to do business responsibly—from sustainably sourcing rare botanicals, to uplifting local communities, to going above and beyond to comply with local environmental rules. We choose to partner with sources we know produce pure essential oils and ingredients ethically and legally, setting a top-tier standard for sustainability that you can trust.

At Home THIEVES®

Young Living's unique Thieves blend is crafted in the tradition of four 15th-century French thieves who created a special aromatic combination of clove, rosemary, and other botanicals. Our Thieves line of products brings safe alternatives to your business, so you can replace harsh chemicals with naturally derived formulas that work hard and smell amazing.

Foundational Nutrition

Vitamins and minerals are two of the foundations of a healthy diet. However, diet alone can't always provide sufficient amounts of these important nutrients. Our convenient multivitamin supplement solutions feature bioavailable food-sourced vitamins and minerals that contain an infusion of powerful essential oils to give your customers the support they need.

Titanium Cookware

Young Living's premium titanium cookware is energy efficient and helps food retain its peak flavor. Featuring a nonporous, nonstick, abrasion-resistant surface, these pans are designed for easy cleaning and maintenance. The hand-cast alloy surface conducts heat seven times faster than steel, allowing it to heat more quickly, reach higher temperatures, and distribute heat evenly. The thick Thermobasic base prevents warping, even after years of use.
